Sponsor a Chair
A Unique Opportunity

Can you sponsor a chair to help us complete the refurbishment of our community spaces?

As conservation and upgrade work to the Crypt Hall, Jerusalem Chapel, Undercroft and Browning Room nears completion, we invite you to sponsor a handmade, solid oak and leather chair designed to last for centuries.

Sponsoring a chair is a wonderful way of helping to complete the project. Every sponsored chair will have a small plaque to commemorate your gift.

Our newly refurbished spaces are at the heart of our Grade-1 listed building and will help us to expand our community engagement by providing up to date, fit for purpose meeting rooms and gathering space.

Architects design drawing of the new Crypt Hall Space at St Marylebone, to open in Autumn 2022.
In total 112 chairs will provide long lasting and comfortable seating for a wide variety of planned uses including:

- Seating in the Jeruslam Chapel
- Music and arts events
- Group therapy services offered by the St Marylebone HCC
- Meetings and conferences held by local businesses and charities.

"As the construction phase of our Changing Lives project draws to a close, we are all looking forward to welcoming new workshops, community groups, local businesses and charities into our building. Sponsoring a chair is a great way to support the Changing Lives project and to leave a lasting legacy."

Fr Stephen Evans, Rector of St Marylebone
To sponsor and name a chair costs £250

Each chair will have its own individual name plaque, engraved with your chosen inscription.

There are only 112 chairs available for sponsorship, so please get in touch as soon as possible to reserve your chair(s).

You can sponsor as many chairs as you would like.

We hope to have all chairs in place for our St Marylebone 'Month of Celebration' in early Autumn 2022.
